

# ROOF SEAL SOLUTION

Universal waterproof repair layer

IKO Acryflex

**ROOFMART**  
IRELAND

**A universal and elastic coating for the seamless repair and renovation of old and damaged flat roofs made from any material, even in rainy weather.**

**When dry, it forms a crack-filling, elastic, highly adhesive and waterproof coating.**

The unique, high-tech composition of ROOF SEAL SOLUTION guarantees immediate waterproofing in a single coat on all dry and damp substrates, even during light rainfall, without requiring a special adhesive layer.

The light grey colour also provides UV reflection, resulting in a cooler roof. This extends the life of the roof by at least 5 years

Adheres to  
any substrate

Waterproofs in  
any weather

Repairs and  
renews with 1 coat

Ready to use

Reinforced with  
synthetic fibres

## Application

For use on various substrates such as bitumen roofing membranes, shingles, slates, tiles, wood, corrugated sheets, aluminium, zinc, lead, hard PVC (gutters), concrete, masonry, stone, porous tiles, etc.

## How do I prepare the surface?

Ensure that the dry or slightly damp substrate is free of dust and grease. Do not apply to water-saturated substrates or areas that are constantly flooded or covered with ice.

## How do I use the product?

Stir ROOF SEAL SOLUTION well. Apply a single coat thickly and evenly with a brush, roller or floor squeegee at a rate of 0.9 to 1.8l/m<sup>2</sup>.

The amount of product required depends on the type of substrate and the degree of damage. ROOF SEAL SOLUTION is rainproof and dust dry after 3 hours at 20°C.

In extreme cases, a second coat can be applied after 8 days for additional UV protection.

## Handy tips

**ROOF SEAL SOLUTION is made from acrylates and resins and is reinforced with fibres.**

- ✓ Store in a cool and dry place.
- ✗ Do not apply if the ambient temperature is below -5°C or above +35°C.
- ✗ Do not apply to bitumen surfaces that are less than 6 months old.
- ✓ ROOF SEAL SOLUTION is made from acrylates and resins and is reinforced with fibres.
- ✓ Clean your tools with IKO tech cleaner.
